

H.A.M. LANDSCAPING INC.

November Landscape Ideas:

H.A.M. Landscaping Inc. installed a new patio for this client to replace the old uneven pavers with new Unilock Pavers to make the patio area more inviting and functional. This type of project is ideal to install during the winter months, with the assistance of tents, tarps and portable heaters. Call us today to learn how your dream project can be completed at significant savings before next spring!
